### OLD BUSINESS –

- Minutes approved
- Treasurer's Report – Kirt Coonradt

### NEW BUSINESS –

- Flow Hive is asking to present. Gregory suggested we set it up for a representative at the Annual Seminar. December is also a possibility.
- Gregory is wondering if we should have more basic meetings such as 'what to do when'.
- Aaron suggested having workshops on the even months and speakers on the odds. Motion to do so made by Kirt Coonradt, seconded and passed.
- October meeting will be Youth Award Beekeepers presentations. Discussed having the next years Youth Beekeepers.

### Tabled

- Board Officers election and change over discussion. – The beginning of the year presents many difficulties; learning curve (especially as treasurer), Beekeeping classes, Seminar & membership renewals, come all too fast. Seems if we follow the guidelines set out – Sept slate announced, October elections and Dec. Joint meeting. Motion to change the election to occur earlier in fall. Seconded and TABLED April 17.
- SABA to make donation to research. Not discussed.

Next meeting start at 6:15 on November, Monday. Meeting adjourned 6:54
